Polaroid Macro 5 SLR Camera

The Macro 5 SLR Camera is simply the easiest way to take close-up photographs. Which makes it the easiest way to document patient progress, evidence or lab specs. With the touch of a button you can produce sharp, self-developing photographs in seconds using Polaroid Type 990 or Spectra Film.

- Document before and after treatments - Show before and after results
 - Communicate effectively with your lab
 - Document evidence and injuries
 - Promote your services

NOW is the time!

Take advantage of the **THIS GREAT OFFER**
on the Polaroid Macro 5 Camera

\$200⁰⁰* rebate
